

Music at Walnut Grove

Dear Friends,

You are invited to hear the 133 voices of the 4th Grade Class at Walnut Grove Elementary on Friday, November 9, 2012. They will be honoring all Veterans with a musical program in the auditorium at WGES at 8:30 am. Each year, a special guest performs with the group. Performing with the students in past Veterans programs, we have had a violinist from the Irving Symphony, a Broadway performer, an opera singer, and a professional trumpet player. This year, we are thrilled to present Mr. Ryan Wilson, Carroll's own principal from Dawson Middle School, as he joins the students for the grand finale. Please help us by inviting all Veterans that you know. They will register at the door, sit in a special VIP section and be introduced during the program. Don't miss this wonderful way we are celebrating and honoring the Veterans of our community. We hope to see you there.

David Platt, Music Teacher
