

# Jump Start Your School Year with Math Facts Mania Program

## Engaging instruction and practice to *increase speed and memorization of math facts*

**Goals:** At the beginning and end of summer vacation, your child will not only have fun, but he/she will work towards increasing math fact mastery and building confidence with timed fact tests (classes are open to students struggling to grasp strategies or those looking to increase speed to maintain mastery at a higher level). **Students who attend on a regular basis and complete assignments achieve success in a shorter period of time.**
