

# Super STEMers Camp

Are you interested in Science, Technology, Engineering, and Math? Then the Super STEMers Camp is for YOU! Join Mrs. Featherston (RES QUEST teacher) and Mrs. Villarreal (RES Science Lab) for hands-on learning fun!

Learn to code with ROBOTS! Students will be learning to code with Dot and Dash. These interactive robots will bring your child's code to life.

**Sponsored by: Cindy Featherston and Kim Villarreal**
