Don't miss your chance to be a sponsor of the second edition of *Inside Carroll*, a 96-page perfect-bound annual publication about the Carroll Independent School District. Last year's inaugural edition was a big success as it has become an invaluable resource and a worthy keepsake for all members of Dragon Nation.

Set for distribution this August, the 2016-2017 edition of *Inside Carroll* will once again showcase life and learning at one of the premiere public school districts in the country. Readers will enjoy spotlights on how students and teachers throughout the district are impacting our community through a multitude of activities. *Inside Carroll* will also feature the education of our littlest Dragons in the preschool and elementary programs as well as high school student and staff success stories. In-depth features and historic facts will highlight our school's legacy of excellence, the process of district zoning, and the origin of popular Dragon traditions. Everything Dragon families want to know will be in this singular publication.

With your support, more than 15,000 copies of *Inside Carroll* will be delivered within the district and in businesses throughout the community. We appreciate your consideration as we continue to set the standard for future excellence.
