

Providence Bank of Texas hosts Play it Forward Sports Equipment Drive

Drive to take place at the Southlake & Fort Worth Branches for the months of October & November 2017

We need your help!

Providence Bank of Texas and the Southlake and Keller ISD Chapters of Play it Forward (PIF) will join forces to help the disadvantaged youth of Tarrant County. PIF invites the Southlake Carroll and Keller ISD students, as well as citizens of the respective cities and Northeast Tarrant county as a whole, to join us as we partner with Providence Bank of Texas in a youth sports equipment drive. The Southlake and Fort Worth Branches of Providence Bank of Texas will host an equipment drive through November. Our organizations will be working side-by-side to collect donations of gently-used sporting equipment that will be donated to the underserved kids at Fort Worth Boys and Girls Clubs. Do you have sporting equipment your child has outgrown? Do you want to donate it to a great cause? The groups are asking everyone to stop by the banks and donate the gently-used equipment that fills their garage!

Play It Forward USA, a program of the Pro Players Foundation nonprofit organization, is a student run community-service initiative founded by five Keller athletes with the motto of "Athletes Helping Athletes." PIF is run by student ambassadors at area schools/communities who provide an opportunity for students to engage in philanthropic enrichment, leadership activities and business development, it is our hope that with your support and donation, every kid will have a chance to get in the game!
