Camp Mission

Dragon Wrestling Camps are designed to teach campers the **FUNDamentals** of wrestling and the Dragon team core values in a fun, active, and enriching environment. Our program's **EVERYDAY CHAMPION** philosophy is based around creating champions on & off the wrestling mat.

Dragon Wrestling Camps are designed for both beginner and advanced level wrestlers. Campers will work directly with the High School coaching staff as well as special clinicians brought in for each camp. All camp sessions will also include current and former Carroll Dragon wrestlers to serve as counselors.

Wrestling is the fastest growing UIL sport and involves over 10,000 boy & girl student-athletes across Texas! Wrestling offers a competitive and active environment for everyone, no matter their size, ability or experience level!

Our program is among the elite in the state of Texas and we want your wrestler be part of our future success!

Takedown Machine Camp

"Takedown Machine" camp will focus on the neutral position. Campers will learn our system to attack on their feet & rack up takedowns, while also keeping position for solid defense!

Mat Monster Camp

"Mat Monster" camp will focus on the skills needed to escape from & reverse anyone from the bottom position, as well as our system of how to be a **HAMMER** on top and put everyone on their backs!
