

Animal Science Camp Summer 2017!

Join CISD's Animal Science Teachers (Cammie Justus-Smith and Brittney Divittore) for camp this summer!

Your kiddo will discover a variety of animals, use their creativity to explore animal traits, and learn how to handle the animals in our program. Different programs will be offered based on age.

Ages 5-10

June 12th—15th 9:00-12:00 \$100 per child

June 12th—15th 1:00-4:00 \$100 per child

June 19th—22nd 9:00-12:00 \$100 per child

June 19th—22nd 1:00-4:00 \$100 per child — **Full**

Ages 10-15

Parent Signature—By signing I understand that although CISD's animals are used to being handled, accidents do happen. Any child touching an animal has the potential to be bitten. Also, any child in the Animal Science classroom has potential to come into contact with nuts, soy, wheat, animal dander, timothy hay, and other allergens. Your registration is first-come, first-serve. If the date/time you select fills up, we will contact you to get you in a different time or return your money. E-mail confirmation will be sent to confirm camp placement.
