### OFFICIAL NOTICE

According to state and federal law, certain information about district students is considered "directory information" and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information. If you do not want Carroll ISD to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing within 10 days. CISD encourages parents to use this form for the written consent notification. **A form must be signed for EACH child.**

Carroll ISD has designated the following information as "directory information":

- Dates of attendance, grade level, enrollment status, honors and awards received in school, and most recent school attended previously
- Student's district-issued e-mail addresses (personal email addresses are not released by CISD).

A parent is allowed to record their objection to the release of **all directory information or one or more specific categories of directory information.**

**I object to the release** my child's student directory information for ANY reason. **NOTE: If you check this box, your student cannot be included in the school yearbook, in newspaper articles or on athletic or academic team rosters.**

**I agree to the release** of my child's directory information for **school-related communications and publicity.** CISD may NOT release my child's directory information to any other requestor, political candidate or business. (Acceptable school-related uses/releases include yearbooks, newsletters, CISD websites, district or campus videos, PTOs, Foundations, Booster Clubs, school photographers, press releases, and the district's telephone notification system, etc.).
