Summer Reading/Writing Workshop!

Come enjoy a fun-filled week of reading and writing!

We will dive into literature groups to explore the wonders of literacy and creative writing. This reading/writing workshop will help students maintain current reading and writing skills in a fun and interactive way! Through discussion groups, hands-on activities and games, we will experience how reading and writing can be entertaining!

Camp participants are required to come with one novel the first day of camp. After registering your participant, a list of novels will be sent out for them to choose from. Novels will count towards your *Summer Reading Assignment* due at the beginning of the year!
