JOIN THE FUN !!

Would you like to use a stethoscope, learn to take blood pressures or dissect a real organ? Do you want to look inside a bone, see cells under a microscope, or find out how your nervous system works? If so, the Carroll Medical Academy's Summer Camp 2016 is the place for you !! Join us on a discover of how body systems work and what to do to keep these systems healthy! You can even find out more about medical careers you could have one day! Join the fun at a CMA Camp Session!

Session 1 Topics -

Skin, Respiration & Circulation

Session 2 Topics-

Bones, Muscles, & Nervous System
