

Super STEMers Camp

Are you interested in Science, Technology, Engineering, and Math? Then the Super STEMers Camp is for YOU!

Join Mrs. Marshall and Mrs. Villarreal for hands-on learning fun!

Sponsored by: Catherine Marshall and Kim Villarreal (RES Teachers)

Grades: Pre-K, Kindergarten, 1st, 2nd, 3rd, and 4th grade

Sessions and Times:

Morning Session "3-2-1 Blastoff!!" Explore the science of flight from airplanes to rocketships to catapults. This session focuses on the engineering and physics of flight.

9:00 to 12:00 Mon-Thur

Afternoon Session "When Harry Potter Meets Elsa—Magic and Science Inspired by your Favorite Movies" Explore the science and magic of Harry Potter and Frozen by mixing potions, explosive chemical changes, building ice sculptures, and much more. This session focuses on chemistry, engineering, and creative technology.

12:30 to 3:30 Mon-Thur

Where: Carroll Middle School

When: June 27-June 30

Cost: \$150 per session
