

Ms. Malnar's Virtual Reading/Writing Summer Camp!

For incoming 7th and 8th graders!
Come enjoy a fun-filled week of reading and writing!

This virtual reading workshop will help students maintain current reading skills in a fun and interactive way! We will explore the wonders of literacy through discussions about the author's theme, plot, and style. Through our groups, hands-on and virtual activities, quick-writes, virtual gallery walks, and games, we will experience how reading can be entertaining! 😊

Camp participants are required to get the novel studied that week. Your participant will have the option of choosing one of the two novels on a list sent out after registration.
Maximum of 15 students may attend each session.
